Terms and Conditions of Sale

TERMS—1% discount for cash if paid on or before 10th of month following date of invoice, and is due NET 30 days thereafter. Interest charged on past due accounts.

These terms are offered to those with established credit; otherwise cash, security, or satisfactory references. C.O.D. orders must be accompanied by one-fourth cash.

PRICES named in this list are based upon present market conditions and are subject to change without notice. These are Wholesale Prices and apply upon the following quantities:

30 to 100 of any variety and size at the hundred rate.

300 of any variety and size at the thousand rate.

Samples at list prices.

Note:—Classifications as given above are understood to be as listed under general headings in price list. (Broken lots of less than quantity listed of any one variety and grade will be billed at 15% above rate.)

ALL PRICES ARE NET, BOXING AND BALING EXTRA.

SHIPPING—Please give shipping instructions whether by freight or express and route. If no instructions are given, we will forward to the best of our judgment, without assuming responsibility. All goods travel at the purchaser's risk and expense.

TRUCK SERVICE—We are able to offer truck service within a radius of 300 to 500 miles from Fremont. Charges average about the same as railroad rates with delivery at your door. If interested, write for further information.

CAUTION—We accept all orders subject to crop conditions and on condition that same shall be void should injury befall our stock from hail, fire, frost, error in count or other causes beyond our control. All contracts are subject to war priorities on material, transportation and other causes that may limit, restrict or make impossible performance thereunder.

GUARANTEE OF GENUINENESS—If any nursery stock proves untrue to description or variety under which it is sold, we hold ourselves in readiness, on proper proof to replace such nursery stock that may prove untrue to description or name, or refund the original amount paid. We shall in no case be liable for any sum greater than the amount originally received for said nursery stock.

CLAIMS for any cause must be made promptly on receipt of stock. We will not entertain claims after goods have once been accepted, or when report is not made within Ten Days after arrival of stock. We express or imply no warranty as to productiveness or life of the nursery stock we sell and will not be in any way responsible for the results secured in transplanting.

SPECIAL NOTICE—Correspondents are requested to use their printed business letterheads. We do not quote wholesale prices to retail buyers. We use every effort to limit the distribution of trade prices to those whom we know to be entitled to receive them.

TERMS

SHIPMENTS made on open account if satisfactory credit is established, otherwise cash should accompany order. No C. O. D. shipments made.

PACKING

PACKING costs will be added (on a cost basis) to your invoice. We take every precaution to pack our stock so it will reach you in the best of condition.

SHIPPING

GIVE US specific instructions and routing. If by truck or R. R. freight, be sure to give names of carriers and routing. This is important. Shipments are made same day they are packed.

PRICES

ALL EVERGREENS are priced per each in quantities of 10, 100 and 1000. 25 of any grade or variety at 100 rate. 250 of any grade and variety at 1000 rate.

HANDLING

BOXES AND SPHAGNUM MOSS are taken to the field and as plants are removed from the soil, their roots are covered with moss and rushed to one of our controlled refrigerated storages, where plants are prepared for shipping.

TRAVEL RISK and CLAIMS

STOCK TRAVELS at purchaser's risk and expense. If containers should be broken or shipment has been delayed, which might indicate stock is damaged, you should make notation on your freight or express bill before accepting shipment. Then file claim with carrier (not with Plumfield). However, we will be glad to help.

SAMPLES

SAMPLES will be charged for at the 100 rate plus packing and mailing costs.

SURVIVAL

WE CANNOT guarantee survival of stock as we have no control of it after shipment is made
